

# Agricultural Fertilizer 3 Hour Certification Training

**Friday, March 15, 2019**

**9:00 A.M. - 12:00 P.M. • OSU Extension Greene County**

This meeting will fulfill the three-hour requirement for applicators who need the agricultural fertilizer applicator certification.

**Who should attend the training?** Fertilizer certification is required if you apply fertilizer (other than manure) to more than 50 acres of agricultural production grown primarily for sale. If you hire a co-op or other custom applicator to make your fertilizer applications, you do not need the certification. This training is for **private and commercial applicators**.

**What will be covered?** Best management practices will be the basis of the agricultural fertilizer certification training with a focus on fertilizer applications that have the appropriate rate, timing, placement and source.
