

Coding Workshop

Clovers CODE, a statewide program from Ohio 4-H that introduces problem-solving, computer literacy and coding through hands-on activities.

Date: Tuesday, July 19

Time: 10:00 AM – Noon

Where: OSU Extension Office

Everyone wanted to work with Spheros or MeeBots. The office will be offering a workshop to program Spheros and MeeBots. Participants will be broken into teams and have Chariot Sphero races. You will also learn how to program the MeeBots to have a dance party.

To reserve your spot email Brenda at sandman-stover.1@osu.edu
