

# Greene County Junior Fairboard Requirements of Membership

As a member of the Greene County Junior Fairboard, I understand that I have the responsibility to fulfill the requirements of membership as explained in the Greene County Junior Fairboard Constitution of which I have received a copy. These requirements include but are not limited to:

1. Attending all scheduled meetings of the Greene County Junior Fairboard. If I am unable to attend a meeting, I will contact an advisor prior to the meeting to report my expected absence.
2. Completing at least four (4) hour of pre-fair volunteer service specifically to benefit the Greene County Fair, the fair programs, or the fairgrounds. Some examples of this service would include but are not limited to assisting with pre-fair judging, preparing the fairground for the fair, assisting with skill-a-thon testing, and assisting the livestock species committees with pre-fair preparations.
3. Completing at least ten (10) hours of volunteer service specifically for the Greene County Fair during fair week (traditionally 9 days from Saturday through the following Sunday). This will be accomplished through volunteering for Junior Fairboard shifts. I understand that it will be expected of me to sign up for shifts that do not conflict with my fair participation or project care and maintenance. I will have the opportunity to sign up for these shifts prior to the fair.
4. Obtain one-hundred (100) points through the annual point program. The points system will be prorated for members entering the organization in the middle of a fairboard year (November to September).
5. Behaving at all time when serving as a Junior Fairboard member in a manner consistent with that of a future leader and with the Junior Fairboard oath.

If I do not meet these requirements of membership as established by the Greene County Junior Fairboard Constitution, I understand that I will be dismissed from the organization. I also understand that the Greene County Junior Fairboard Advisors can be consulted in the event of special circumstances that hinder the completion of these requirements, and I understand that it will be my responsibility to consult an advisor in the event that I need to be considered for these special circumstances.

By signing below, I am agreeing to meet the requirements of membership as explained above. A parent/guardian signature is also required. This completed document will be kept on file for as long as I am a member of this organization or to the time that the constitution requirements of membership are altered by the Greene County Junior Fairboard.

Junior Fairboard Member Signature: \_\_\_\_\_ Date: \_\_\_/\_\_\_/\_\_\_

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_/\_\_\_/\_\_\_
