

Entering Market Hogs into 4-H Online

Due May 19, 2025

All market hog exhibitors MUST upload information into their 4-H Online account by May 19, 2025. This process should make tag-in a lot smoother for 2025. All youth exhibitors will still need to complete Fair Entry by July 1.

Rules

- Youth can register up to 6 market hog animals and bring 3 to fair
- Secure date for market hogs is May 12, 2025.

Step 1:

1. Take 4 photos of each of your market hog entries. Photos must include:
 1. Front view photo (Head)- Upload in animal photo front
 2. Left Side View (full side of hog)
 3. Right Side View (full side of hog)
 4. Animal Photo – Identifier (clear view of the ear notches)

Step 2:

1. Log in at <https://oh.4honline.com> using your email and password
2. Select the member you are adding a swine market to
3. In the left column, select ANIMALS
4. Then, select ADD ANIMALS and then select ADD NEW ANIMAL
5. Select animal type from a drop-down list- select SWINE MARKET
6. Add Ear Notches (Individual Animal ID)
7. Enter information for at least the required fields including (animal birthdate, breed, breeder name, gender, ear notches number) and any other fields that you have.
8. Next Page- Upload photos mentioned above in step 1.
 1. Front view photo (Head)- Upload in animal photo front
 2. Left Side View (full side of hog)
 3. Right Side View (full side of hog)
 4. Animal Photo – Identifier (clear view of the ear notches)
9. Verify and then click submit. To enter the next animal, repeat step 3-8 above.

You will receive an email when it the animal is approved. If you have any issues, you will receive that email as well and everything must be fixed by May 19.
