

Entering Market Sheep into 4-H Online

Due May 1, 2025

All market sheep exhibitors MUST upload information into their 4-H Online account by May 1, 2025. This process should make tag-in a lot smoother for 2025. All youth exhibitors will still need to complete Fair Entry by July 1.

Rules

- Youth can register up to 4 market sheep animals and bring 3 to fair
- Secure date for Market Sheep is May 1, 2025.

Step 1:

1. Take 4 photos of each of your market sheep entries. Photos must include:
 1. 1 front view (head)
 2. 1 right side view
 3. 1 left side view
 4. Scrapie tag (numbers must be clearly visible).
2. Have your completed homegrown (bred, born, raised in 4-H Online) form if applicable. (www.go.osu.edu/gchomegrown)

Step 2:

1. Log in at <https://oh.4honline.com> using your email and password
2. Select the member you are adding a market lamb to
3. In the left column, select ANIMALS
4. Then, select ADD ANIMALS and then select ADD NEW ANIMAL
5. Select animal type from a drop-down list- select LAMB MARKET
6. Add Tag Number (FULL SCRAPIE TAG including the flock ID and Individual Animal ID)
7. Enter information for at least the required fields including (breed, country raised, sex, scrapie identification) and any other fields that you have.
8. Next Page- Upload photos mentioned above in step 1.
 1. Front view photo (Head)- Upload in animal photo front
 2. Scrapie tag- Upload in animal photo identifier
9. If your animal is homegrown, upload the completed form into the bred, born, raised field.
10. Verify and then click submit. To enter the next animal, repeat step 3-9 above.

You will receive an email when it the animal is approved. If you have any issues, you will receive that email as well and everything must be fixed by May 1.
