Club Reports

Creek Crafters and Creators

July 14, 2022

We reviewed important dates for the fair and activities that are offered. Everyone present brought items for our Silent Auction Basket. Members worked on designing the hay bale and will meet another time to assemble it. Our Cloverbud that was present, worked on making her puppet. Our next meeting is TBD in August.

Clover Valley 4-H Club

Community Service Project

“The members of Clover Valley 4-H club did a community service project in September of 2021 under the route 42-South State Bridge along the bike path. Painting the bridge as a group was not only a community service project but a bonding experience as a 4-H club. Working together as a team allowed our Clover-buds to begin to build safety skills and the importance of properly using our resources to get the job the done. These volunteer projects continue to be a big part of enhancing our community and slowly bringing back the natural beauty our earth provides.”

If your 4-H Club is working on their Honor Club application for this year. One of the requirements is that you have three club reports in the monthly Greene Clover 4-H Newsletter. Club reporters can send the reports to Brenda at sandman-stover.1@osu.edu
