9 AM – 11 AM

BUYER INFORMATION

All persons interested in participating as buyers in the Junior Fair Livestock Sales must hold a bidder's number.

CURRENT BUYERS:

- Any buyer who participated in the previous year's livestock sales and is in good standing will be re-issued a bidder's number. Bidder packets will be mailed out in mid-July. Bidders' numbers change yearly; buyers will not have the same number they had the previous year.
- Any current buyer who has a change of contact information is asked to complete a new bidder application with the instructions below:

BUYER REGISTRATION

- New buyers interested in participating in the sales must register by completing a bidder application form online at www.greenecountyfairgrounds.com/sales or in the Administration Office at the fairgrounds prior to the start of the fair, or in the Sales Office on auction nights.
- It is recommended to register before the start of the livestock auction to avoid any problems and allow you to bid in a timely manner.
- All buyers must provide the required information to complete the registration form, ex. Contact information, email, address, phone number, etc.

SALES SCHEDULE & LOCATION

Sales Locations:

- Thursday Night: Livestock Barn 3
- Friday Night: Livestock Barn 1 (Lambs, Goats, Rabbits) & Livestock Barn 3 (Dairy Cheese & Cattle)

Participate at Your Own Risk

- All persons attending the sales do so at their own risk. The owners, sales management personnel, or volunteers assume no liability, legal or otherwise, for any accident that may occur.

SALES

- Greene County Fair Livestock Auctions are live. The highest bid wins. Auctioneers will settle any bid disputes and have the final decision.
- Buyers can participate in the Junior Fair Livestock Auctions as single buyers or multiple buyers. Whichever method you use, your purchases will help fund junior fair exhibitors' future projects and educational endeavors.
- Buyers bid in dollars of premium they will pay an exhibitor over the market value for that animal.
- No-adds ons allowed. This means all money you wish to donate must be given to the exhibitor(s) prior to the sale of their livestock project.

Single Buyers:

- You must be present at the auction to be a single buyer. A single buyer can bid against other buyers to be the highest bidder.
- The total amount that the buyer owes will depend on the buyer's decision to send the animal to consignment or to purchase the animal to go to either the buyers home or to be sent for harvest through one of our approved local custom processors.
- If purchasing the animal, see the custom processing section below.

Multiple Buyers:

- Many exhibitors have multiple buyer forms for each of their livestock projects. Buyers do not have to be at the auction to be a multiple buyer.
- If a buyer wishes to be included on the Multiple Buyer Form, the buyer may find the exhibitor prior to their sale on auction nights or contact the exhibitor via the phone number listed on their livestock letter.
- Buyers are responsible for sharing their own bidder's numbers with the youth they wish to support. Sales staff will not share bidder's numbers with anyone other than bidders themselves.
- Buyers provide the exhibitor(s) their bidder number, amount they wish to give, and buyer name.
- Bids on multiple buyer forms must be a minimum of \$25 bid and in increments of \$5
- Exhibitors will turn in their Multiple Buyer Form as they enter the sale ring.
- A single buyer can outbid a multiple buyer form during the auction. In this case, the multiple buyer form is voided. The buyers on the form will no longer be billed for their portion on the exhibitor's Multiple Buyer Form.
- If a buyer on a Multiple Buyer Form is interested in the purchase of the animal (buyers home or sending the animal to harvest), they will need to declare this on the exhibitors Multiple Buyer Form. This individual will pay the market value and their portion of the premium bid listed on the Multiple Buyer Form. You will need to check with the exhibitor before assuming the purchase of the animal because pre-arrangements may already be in place for that exhibitor's animal.

CUSTOM PROCESSING

- If a buyer chooses to harvest an animal, the buyer must pay the market value the night of the sale.
- You pay the premium bid plus the market value, plus processing fees, and receive the meat. Information & pricing about each processor is listed on our website at www.greenecountyfairgrounds.com/sales
- o Weight of animal = 220lbs, Market Value = \$0.60/lb.

$$\begin{array}{rcl} \$300 + & \$132 & = \$432.00 \end{array}$$

Premium bid Market Value Total paid to the Livestock Sales Committee

- Purchasers using the custom processing options must use one of the designated processors with which the Sales Committee has made arrangements.
- Custom processing is not available for ducks, chickens, turkeys, or rabbits.
- The Sales Committee provides transportation to all processors for animals purchased through the sale.
- The buyer's responsibility is to contact the processor directly with specific cutting and wrapping instructions.

PAYMENT/BILLING

All buyers are encouraged to make payment in the Sales Office on the day of the sale. Payments can also be made in the Sales Office on the Saturday after the sales from 9 AM to 11 AM. Prompt payments ease the process of getting checks out to exhibitors.

Payment Options:

- Cash
- o Please do not place money in the mail.
- Checks made payable to Greene County Livestock Sales Committee
- o Mailed to 120 Fairground Rd. Xenia, OH 45385.
- o Any returned check is subject to a \$35 collection fee.
- Credit Card: 3% convenience fee
- o To pay via credit card by phone, call the fair office at 937-372-8621

Billing:

- Payment not received at the end of sale days will result in an invoice sent within 7 days of the sale close.
- Invoices are due within 30 days.
- Any outstanding bills after 60 days will receive a late charge.
- Any buyer account not paid in a timely manner will be subject to buying privileges for future sales being denied, no buyer recognition will be received, and potential legal action will be taken.
- All Junior Fair Livestock Sale Accounts are subject to these terms and conditions unless a special payment arrangement is made with the Livestock Sales Committee.

BUYER RECOGNITION

- All buyers in good standing will receive recognition via a listing in the fair book and on the fair website.
- All buyers who contribute to any Grand and Reserve Livestock Project will be photographed at ringside after the sale and posted in the Xenia Daily Gazette.
- Buyers who purchase over \$250 will receive a green Thank You Sales Plaque to display at their place of business.
- Buyers making purchases totaling \$2,000 or more will have their name and/or logo advertised during both sale nights.

EXHIBITOR INFORMATION

SALE ELIGIBILITY

- 4-H and FFA exhibitors must have met the livestock projects requirements, participated in their respective Junior Fair Shows and submitted the required Weight Ticket by the designated time to be eligible to sell.
- Each livestock exhibitor will only be allowed to sell 1 unit (animal) per market project in the Junior Fair Livestock Sales with the exception of Champions and Reserve Champions. There will be a maximum of 3 total units (animals) to sell through the livestock auction.
- o Example: Exhibitor has Grand Champion Hog; the Grand Champion Hog can sell along with another hog and only one other market project can sell.
- Exhibitors of Champions: All Grand/Reserve Champions must go through the sale.
- Members must be present to sell their own animal unless Specie Committee Chair has given prior permission. Another Greene Co. junior fair exhibitor may sell the animal through the sale ring if permission is granted.
- If an exhibitor is not present to sell their animal and no permission has been granted for another exhibitor to sell that animal, then the animal will not be sold through the sale ring.
- All market animals sold through the sale to local butcher shop must be sent to the designated processors with which the Sales Committee has made arrangements.
- In the event that a packer is not acquired for a market animal species by the Junior Fair Livestock Sales Committee, the member will be responsible to market their own animal and would receive only the premium bid for their eligible market project(s). In this event a notice would go out to all market exhibitors prior to the fair.

HARVEST REQUIREMENTS

- The Ohio Department of Agriculture requires that the Champion and Reserve Champion market beef, lamb, hog, and goat go to harvest. These animals are to be consigned to our packer for harvest.

- Hog sales are a terminal sale. Any hog going through the sale must go to consignment or a local butcher shop.

SALE CARDS/NO SALE CARDS

- Beginning 2022 the Sales Committee has discontinued sale and no sale cards. All information on sale/no sale cards is now on the bottom of the Weight Ticket.

WEIGHT TICKETS

- Exhibitors will receive a Weight Ticket during specie barn meetings/ weigh-ins. Every market animal will have a Weight Ticket.

- The top portion of the card is to be completed by the exhibitor prior to weighing in their animal. The specie committees will document the tag and weight of each animal.

- Each exhibitor must complete the bottom portion of the Weight Ticket and submit it to their specie committee chairperson within one (1) hour after the market show.

- Exhibitor will indicate on the card where each market eligible animal will be headed after exhibition. Market eligible animals include the following species beef, lamb, hog, and goat.

- Weight Tickets serve to assist the tracking of species weight information for the purpose of livestock shows and sales. They also help the sale committee know where all market animals need to go after the conclusion of market shows to help reduce load-out, auction, local butcher, and packer mishaps.

- On the Weight Ticket exhibitors must specify sale, or no sale options. No sale options include no sale, consignment, and local butcher shop.

- When an animal goes through the sale, you cannot guarantee where the animal goes. If utilizing a multiple buyer card, exhibitors can note where they would like their animal to go. Still, the exhibitor also risks being outbid by a single buyer.

- All no sale livestock going to the seller's home must be out of the barns prior to the sale.

- No sale direct local butcher shop animals will be hauled to the designated processors by the Sales Committee. There will be a \$5 fee paid to the Sales Committee when turning in the Weight Ticket. This fee is to cover transportation costs to the butcher shops. If local butcher shop requests for a species are greater than available spots, it will result in a lottery of exhibitors who selected no sale local butcher shop options on their Weight Ticket.
- Failure to submit a Weight Ticket by the designated deadline will result in forfeiture of the right to sell that animal in the sale.

- Weight Tickets are final when turned in.

SALE WEIGHT

- All animals will be weighed by an official weigh master on certified scales at the respective animal weigh-ins on the first Friday or Saturday of the Fair.

- This recorded weight will serve as the official sale weight for market value.

MARKET VALUE

- The packer determines the market value. The packer provides this information to the Livestock Sales Committee by the species sale day.

- The packer has the right to reduce market value prices on lightweight and heavyweight animals.

SALE ORDERS

- Each specie committee determines the order of exhibitors in their sale.

- Sale orders will be posted no later than noon on the specie sale day. Exhibitors or parents have until 2 P.M. on the sale day to let the Specie Committee Chairperson know of any sale order errors.

- o The Specie Committee Chair and Sales Committee Chair will determine if any changes to the Sale Order will be made given the situation's circumstances.

MARKET ANIMAL CARE & CONDITION

- Exhibitors will be responsible for the care of their animals until loaded by the packer or Sale Committee. If it's determined at load out that a market animal has lacked food or water, a penalty of \$25 will be deducted from the value of the animal. The packer and representative of the Sales Committee will make this decision.

- Exhibitor will stand the loss of any condemned carcass. Exhibitor will stand the cost of any extra processing fees passed on by the packer.

- If a market animal is removed after the sale, the exhibitor will forfeit all premium monies in addition to the above penalty. The premium monies will be returned to the sale buyers with a letter of explanation.

- If a market animal is sent home by fair officials for any reason, the exhibitor will not receive any payment for the value of the market animal. If sent home by fair officials after the sale, the exhibitor will only receive the premium amount from the sale.

- Suppose a market animal dies before the sale, and the exhibitor does not have another market animal that has been shown in the junior fair. In that case, the exhibitor will not participate in the livestock sale. If the exhibitor has an animal that is part of a market pen die before the sale, the exhibitor may sell the remaining animals in the pen through the livestock sale.

OPTIONS ON SELLING

- No add-ons are allowed. The amount the livestock project sells for during the auction is the final price.

Single Buyer

- A single buyer is interested in purchasing the exhibitor's animal.

Multiple Buyer

- Exhibitors utilize this option if they have several buyers who wish to donate to their livestock project. Buyers are usually achieved this route by delivering buyer letters to local businesses the exhibitor is affiliated with.

- Multiple buyer forms will be available starting the Saturday before fair in the Administration Office or in the Sale Office on sale days.

- Exhibitors are to get the buyer's name, bidder number, and amount to list on the multiple buyer form.

- The Sales Office will not provide any buyer numbers; exhibitors must get the bidder numbers from each buyer.

- Bids on multiple buyer forms must be a minimum of \$25 and in increments of \$5.

- Exhibitors must turn in the completed form at the auction block. Exhibitors will give the completed Multiple Buyer Form to the auction staff when they enter the ring.

- The Multiple Buyer Form **MUST** be totaled prior to the exhibitor lining up for the auction.

- A single buyer can outbid a multiple buyer form during the auction. In this case the multiple buyer form is voided and destroyed on the block.

- Each person listed on the multiple buyer form is responsible for his/her portion of the purchase.

However, the person initiating the Multiple Buyer Form is ultimately accountable for uncollected monies.

- The individual(s) receiving the processed meat must be listed on the Multiple Buyer Form. These individual(s) will pay the market value and their portion of the premium bid listed on the Multiple Buyer Form. The market value price must be paid the night of the sale by the individual(s) receiving the processed meat. If the exhibitor's parent is paying market value, no payment will be necessary, and the exhibitor will not receive a poundage check.

PAYMENT TO EXHIBITORS

- There is a 4% Sales Commission for selling junior fair livestock. The Sales Committee determines this rate to cover sales expenses such as livestock check-off fees, transportation to local butcher shops, buyer packets and invoicing, livestock tags, etc.

- All exhibitor checks are stamped **VOID AFTER 90 DAYS**. If an exhibitor loses a check, the exhibitor will be charged \$45.00 for stop payment. All checks not cashed after 90 days will become a donation to the Greene County Livestock Sales Committee. Un-cashed checks will not be re-issued.

- Neither Poundage or Premium Checks will be mailed. Exhibitors are responsible for picking up their checks from the Fair Administration Office during regular business hours.

- Livestock Sales Thank You Notes are not required to be turned in but are still **REQUIRED**. Thank You Notes should be mailed to buyers within 15 days of the livestock sales.

Poundage Checks:

- Poundage Checks become available 2-3 weeks after the Livestock Sales.

- An email will be sent to exhibitors' parents along with information posted through 4-H and the Greene County Fair Facebook page.

- Exhibitors will only have poundage checks available if they sent their animal to consignment, buyers' home, or a local butcher shop.

Premium Checks:

- Premium Checks become available around the beginning/middle of October. This date depends on the number of outstanding buyers as of October 1.

- An email will be sent to exhibitors' parents along with information posted through 4-H and the Greene County Fair Facebook page.

- Any exhibitors with buyers who still owe at the time checks are printed will be notified via email.

- Exhibitors can pay the portion the buyer(s) has not paid to receive their check or can wait to pick up their check after their buyer(s) has paid. If the unpaid buyer eventually pays their bill, exhibitors **WILL NOT** be reimbursed for the portion paid to pick up their check.

Club Reports

If your 4-H Club is working on their Honor Club application for this year. One of the requirements is that you have three club reports in the monthly Greene Clover 4-H Newsletter. Club reporters can send the reports to Brenda at sandman-stover.1@osu.edu

Next Generation 4-H Club

On May 15th the club met up at the Frizzell's house. When we were there, we voted on the silent basket auction, and we collected our sub order forms so we could raise money for our club. The last thing that we did at the meeting was we took a tour of the Frizzell's barn and saw Lily and Macy's hogs. They taught us how to wash, feed, take care of a hog.

Cedarville Hot Shots 4-H Club

June 8, 2022

The Cedarville Hot Shots met at One Bistro on June 8 for a Community Service Partnership. Our 4-H club served the restaurants patrons a dinner of lasagna, bread and salad. We served 200 guests, cleaned tables, washed dishes and handed out books. Thank you, One Bistro, for allowing us to be a part of your mission!

By: W. Paris

Eager Beavers 4-H Club

On June 26, the club held a project tour/work session. Following the business portion of the meeting, members enjoyed making their own ice cream sundaes. We served this in honor of June being National Dairy Month. Members and advisors used the remaining time to work on projects and learn how to use the Fair Entry program.

Next Generation 4-H Club

On May 30th the club went to the Stevenson Cemetery to honor the Civil War veterans buried there. Each member of the 4H club learned a few things about one Civil War veteran and shared them out loud with the audience. This event was organized by the daughters of the American Revolution.

By: M. Christian

Cedarville Hot Shots 4-H Club

June 8, 2022

We began this meeting with a hotdog supper for 4-H families at the Paris home. We then started the meeting talking about 4-H camp and our One Bistro community service along with our time to watch the assembly hall for fair. We discussed old business and all the upcoming 4-H deadlines. There were two demonstrations given by Maggie Paris and Abby Conover.

Next Generation 4-H Club

On June 3rd the club met up together to assemble subs for a fundraiser. We also finalized our plans to have a cattle discussion by a guest speaker in July. We earned a lot of money from the subs and are happy to be raising money for our club.

Eager Beavers 4-H Club

On April 30th, several members of the club attended the Champion's Choice Lamb Camp in Circleville, Ohio. 4-H and FFA members from several states participated in the camp. Members and parents learned about nutrition, showmanship, shearing, and numerous other skills that make a good sheep exhibitor.

Cedarville Hot Shots 4-H Club

May 23, 2022

We held our 6th meeting at the Redemption Center at 7:00. New business consisted of the Wednesday Workshops. Old business was reviewed including all upcoming dates in 4-H to remember. We discussed our upcoming community service at One Bistro. We had a demonstration given by Jonas Miller. By: W. Paris

Eager Beavers 4-H Club

On June 13th, the club participated in a fun community service project. They loaded up a dairy beef feeder named Oreo and a Ewe lamb named Eve and took them to town. The club visited Days of Discovery Learning Center to teach the kids about farm animals and allow them to pet the animals. The next stop was the memory care unit at Shawnee Estates in Xenia. Residents were able to pet the animals and share stories of their past. It was a great day for all.

Hare Raisers 4-H Club

May 22, 2022

At this meeting, members voted on t-shirt designs. We discuss the straw bale contest and gathered ideas for the Happy 120th Birthday 4-H theme. Members were reminded to turn in their Thank You Card contest designs and royalty applications. 4-H members worked in their project books in preparation for pre-fair judging. Ella Simmons gave a demonstration on what to include in a sewing kit. She also talked about the quilt she is making. We had two ladies come and help the Cloverbuds learn to sew. They made pillows using 4-H fabric. Reagan Montgomery practiced her photography skills by taking pictures of the Cloverbuds making their pillows. The Cloverbuds also designed an outfit and practiced modeling.

Prime Producers 4-H Club

For one of our community service projects, the Prime Producers helped Jamestown Methodist Church with a community meal in our local town on May 25, 2022. Prime Producers helps with different community meals throughout the year. The theme for this meal was walking tacos which included, A bag of Fritos, hamburger, lettuce, cheese, sauce, a brownie, a fruit cup and their choice of water, milk, or pink lemonade. Different members of our club had different jobs during this in person/ drive through meal. Some members were in the kitchen helping prepare the meals in bags to give out to the people coming through the drive through as well as helping people get their food onto their trays as they were going through the line. Other members were assisting people by carrying their food back to their table. Other members were giving out the bags of food to the members participating in the drive through, and our younger members were helping wipe down tables after everyone was done as well as helping with washing dishes. We really enjoy getting to connect with different people in our town through volunteering at these community meals.

Prime Producers 4-H Club

4-H week 2022 was celebrated March 6-12 this year. One of the goals that we had for 4-H week was to show people in our community some of the fun things that 4-H is about. For our activity we decorated the window of our local laundromat. This project included all available members of our 4-H club including the members of the clover buds. Our window decorations included clovers with the names of our club members, pictures of livestock colored by our clover buds, a flag showing the 4-H pledge and different farm animals you can take to the fair, and a large flag with the 4-H clover. This was a fun experience getting everyone together to start the 4-H season.

Prime Producers 4-H Club

On Wednesday, June 22, 2022, the club and others spent a few hours helping to clean up the Greene county fairgrounds to get ready for the upcoming fair. Prime Producers picked up trash, pulled weeds, and spent time together as a club. From young clover buds to seasoned officers, the Prime Producers all came together to take pride in the fairgrounds where so many memories are made throughout the year.

2022 Greene County Jr. Fair Class Entries

Important Reminders and Instructions

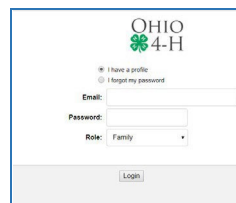

- The Jr. FairEntry system will **open on June 1** for all projects. All Jr. Fair Entries are **due by end of work day July 5, 2022.**
- All Jr. Fair entries must be made through the website: <http://GreeneOhio.fairentry.com>
- Recommended browsers: Google Chrome, Mozilla Firefox, or Safari. Older versions of Internet Explorer may cause unexpected results.
- **Register all entries for each exhibitor in the entire family before proceeding to the Payment section. Please add showmanship when completing entries.**
- Be sure to click the “Submit” button when you have completed your entries. Entries are not final until they have been submitted.
- **Once you have submitted your entries, check your email inbox for a confirmation email with a list of your entries. You will receive another email when your entries have been approved.**

Steps

1. Go to <http://GreeneOhio.fairentry.com>
2. Click the green 4HOnline login button.

3. Enter your 4HOnline Email Address and password make sure the role is “Family”
4. Click the login button

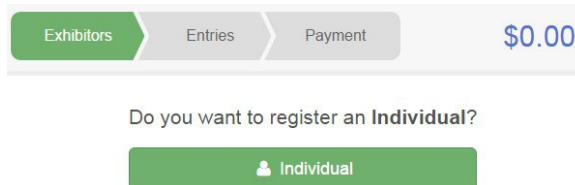

5. Click “Begin Registration”

Welcome!

We noticed you haven't yet registered for the fair.

[Begin Registration](#)

6. Click the “Individual” button.

Creating Entries

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 rabbits, two entries into 2 different classes must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (and entries) or proceeding to check-out.

1. Click Add an Entry beside the correct exhibitor (if more than one has been created).

2. Click "Select" beside the first department you wish to enter.
3. After you select a department, you will see a list of divisions to select from, and then a list of available classes. *Also notice that there are blue "Change" links in case you mistakenly select an incorrect department, division, or class.*
4. After you have selected the class, click the green Continue button.

5. If this is an **animal class entry**, you must specify which animal will be exhibited in this class; you will see the option to "Add an animal".

If this is a market goat from tag-in, market lamb from tag-in, or market beef from weigh-in you will be able to add the animal directly. This information was based off of what was submitted at the time.

If it is not one of those species, you will follow "Add animal from scratch"

7. Any questions related to entry in this class will be next. Click Continue after answering those questions.

The Review screen allows you to double check this entry for accuracy and make any changes necessary. When the information is correct, click Continue and that class entry is complete.

Questions

Do you have any special pen assignment requests for your rabbit(s)? Be specific in the description of your request.

Examples:

- Flemish Giant rabbit needs a double pen.
- Please pen my Polish and Dutch rabbits beside each other.
- I'm short and need a lower cage.

2. Please explain your pen assignment special request.

Continue

8. When each class entry is complete, you have 3 choices for what to do next:
- If all class entries have been completed for one exhibitor, you can **Register another Exhibitor** in this family.
 - If this exhibitor has more class entries to make, you can **Add another Entry for this Exhibitor**. You will not be able to add another entry until the first one is approved so please complete all entries for each exhibitor before submitting.
 - If all entries for all exhibitors in the family have been completed, click **Continue to Payment** to finalize and submit your entries.

11. Read the information in the “After you Submit” section. Click Submit to finalize the entries for the exhibitors in this family. ***After you click Submit, no changes are possible to these entries.***

The screenshot displays the FairEntry submission interface. At the top, a progress bar shows three steps: 'Exhibitors', 'Entries', and 'Payment'. The 'Payment' step is currently active, indicated by a green bar and a blue circle with the number 3. Below the progress bar, a light blue banner reads 'One last step! Agree to the terms below and press submit.' The main content area is divided into two sections. The left section, titled 'After you Submit', contains a list of terms: 'Records will be locked to editing awaiting manager approval', 'Your credit card will not be charged until a manager approves the records', and 'If the manager does not approve all the records, the amount charged to the credit card may be less than the amount cited here.' The right section, titled 'Payment Total', states 'No payment is necessary' and features a green 'Submit' button with a white checkmark icon.

12. Once you click submit – check your e-mail for a confirmation message listing your entries. If you don’t receive an e-mail confirmation OR if you notice any errors– email our office ASAP to make the changes.

Rejected entries need to be fixed and resubmitted by the deadline.

All Jr. Fair Entries are due in FairEntry by end of work day on July 5.

2022 Assembly Building Watch Schedule

Please secure at least 2 parents or volunteers to watch the projects in the Assembly Building. If your club can not watch the building at the scheduled time, you must inform us and find a club to switch with you. We are expecting the building to be watched for the two hour time slot. Each club has been assigned 1 slot to cover. This will ensure the safety of all projects.

Please have your helpers arrive at least 5 minutes before the scheduled time slot to the Assembly Building.

Please sign under the club name.

Tasks of watching projects include:

- Ensuring no one takes projects
- Collecting projects / releasing projects for Ohio State Fair
- Answering general 4-H questions
- Staffing the 4-H table

All clubs who have the building watched during their time slot will be eligible for a club gift card. Only clubs that sign in will be put into the drawing. One gift card will be awarded.
