## 4-H Urban Immersion Project September 21<sup>st</sup> – September 24<sup>th</sup>, 2023 - Washington D.C

The 4-H Urban Immersion Project (UIP) is an Ohio 4-H initiative that combines cross-cultural learning, teamwork and service learning in the urban environment of Washington, DC.

4-H teens ages 15-18 and still in High School are eligible for this 4-day service-learning experience that will build skills and abilities to prepare youth for success in a diverse workplace as well as build cultural understanding of those who are different. This experience will not be about shopping or sightseeing, although we will visit some monuments and historic sites. The cost of the experience is \$180. Limited scholarship funds are also available. All teen applicants will be contacted to complete an additional phone interview before selection.

**Who:** Teens ages 15-18 (by the date of the trip – still in High School) - Space is limited.

**Where:** Washington, DC

**When:** Thursday, September 21<sup>st</sup> – Sunday, September 24<sup>th</sup>, 2023

### Purchasing 4-H Market Project Animals

Here are some important points to keep in mind:

#### All market animals:

- Purchase healthy animals from reputable breeders
- Know what vaccinations and parasite control has been completed by breeder
- Ask the breeder what feed the animal has been on to be able to transition the animals to the feed you want to use
- Quarantine animals purchased if you have any other animals at home.
- Observe purchased animals closely for signs of illness (take temperature, monitor eating/drinking, observe changes)
- Establish a valid VCPR for preventative care and treatment
- Properly handle animals and provide proper care to assure you have a healthy animal to bring to fair. All animals must be free of contagious disease such as ring worm, sore mouth, club lamb fungus, warts, lice, etc.

#### Rabbit:

- Exhibitors may breed or purchase a meat pen. If purchased, the rabbits must be in possession by July 14. Only 1 meat pen, one single fryer, and one single roaster may be entered.
- This New Roaster class will be a home-grown class and is new for the 2023 fair. For the home-grown class the Rabbit committee will be verifying with pictures of the doe and litter with visible tattoo numbers, pedigrees, and possible home visit. These Roasters will also have a tag in date of April 15. You may bring up to 3 rabbits per exhibitor to this tag in. You will only be exhibiting 1 Roaster at fair.

During our May meeting the **Clover Valley Club** met to discuss many important things. To start the meeting, we did pledges. Next, we had two demonstrations. One member showed his fair chickens and how to present them for showmanship. Another member talked about cake decorating and showed us different piping techniques. Next, we went through officer reports and discussed upcoming dates for fair and camp. We talked about our community service project (painting a bridge in Spring Valley) and decided what design to paint on the bridge. We went over t-shirt designs for fair and due dates. To wrap things up our Captain of Fun set up an ice cream sundae party to celebrate the end of school and kick off summertime! By: J. Robbins

### Showtime 4-H Club

The 6th meeting of the Showtime 4-H club was held at the Bowersville Fire Department. The minutes from the last meeting were read and approved also the treasures report was read and also approved. The monthly newsletter was read by the club president. Tinley Sharrett did a demonstration on her goats and hogs. The club made cards for the nursing home. The meeting was adjourned. By: L. Terrill

The **Eager Beavers 4-H Club** put the finishing touches on our basket for the silent auction. The theme is Gardening and comes complete with everything for kids and adults to produce a beautiful garden. We even included the fair theme in the design. See the picture below...

### Farmers and Friends 4-H Club

met on June 11th. We talked about the chick pickup and the sheep and goat tag in. After that we went over the calf scramble and talked all about how to do non livestock projects. Lastly, we talked about how to get participation for your animals. By: K. Bingamon

# Club Reports

The **Eager Beavers 4-H Club** had a busy month during February. We elected our club's officers. We also began planning for the flower fundraiser. We reviewed our 4-H Club Constitution and By-laws. Members brainstormed ideas for our silent auction basket. We voted to use money from the club treasury to pay for enrollment dues.

The **Eager Beavers 4-H Club** participated in our winter community service project by taking a lamb to visit the kindergarten classes at Tecumseh Elementary School and the multi-handicapped classes at Xenia High School. Our spring community service project was planting flowers for the City of Xenia. We adopted two planters and put in fresh soil. The club purchased flowers from the 4-H Fundraiser to plant in the planter and help beautify the city.

**Farmers and Friends 4-H Club** met on May 7th. At this meeting we went over the requirements for hog pictures and discussed the royalty contest. We also talked about how the pin assignments worked and the skill-a-thon. Our next meeting will be on June 11th.

By: K. Bingamon

### Saddle Up Your Horses 4-H Club

The past meetings we have discussed PSA shows which are shows that you take your horses to if you want to go to state fair. To qualify you must place in two classes. We also discussed pre-fair judging which is signing up for classes in Qualtrics. We have also started to raise money for awards each family will give \$10 if possible. The next meeting will be July 7<sup>th</sup> at Anna's see you then. By: A. Vance

In February, **The Clover Valley Cloverbud** group learned about hibernation. First, we talked about what hibernation is and played a fun song. While we sang, there were little animals hiding in a box. We each got to pull out an animal. This helped us learn about all different kinds of animals that hibernate in our world. Next, we got to pretend to be animals that hibernate by making forts that we used as dens. We also made a special snack with graham crackers and frosting. We built little tents/dens with them and then we stuck teddy grahams inside. We ate our hibernating bear snacks in our dens! It was fun! By: J. Robbins

Several of the **Clover Valley Cloverbuds** went to space camp at Camp Clifton. The Day started by meeting our friends and getting our cabins ready. After that, we had four different workshops that included playing games, making rockets, decorating cookies, and making a galaxy jar. Next, for lunch, we had a picnic outside. We took a break in our cabins and had fun with our friends. Then, we cooled off and went swimming. At the end of the day, we launched our rockets and had a fun galaxy snack. Sadly, we had to say goodbye to our friends and head home. By: E. Robbins

If your 4-H Club is working on their Honor Club application for this year. One of the requirements is that you have three club reports in the monthly Greene Clover 4-H Newsletter. Club reporters can send the reports to Brenda at [sandman-stover.1@osu.edu](mailto:sandman-stover.1@osu.edu)

## 2023 Assembly Building Watch Schedule

Please secure at least 2 parents or volunteers to watch the projects in the Assembly Building. If your club can not watch the building at the scheduled time, you must inform us and find a club to switch with you. We are expecting the building to be watched for the two hour time slot. Each club has been assigned 1 slot to cover.

This will ensure the safety of all projects. Please have your helpers arrive at least 5 minutes before the scheduled time slot to the Assembly Building.

**Please sign under the club name.**

Tasks of watching projects include:

- Ensuring no one takes projects
- Collecting projects / releasing projects for Ohio State Fair
- Answering general 4-H questions
- Staffing the 4-H table

## Livestock Fair Entry Directions

All Junior Fair livestock exhibitors will complete their livestock entries online. This will replace the paper forms from previous years. This help sheet will guide you through the process. Please read the entire guide before attempting to make your entry to ensure the process is done correctly.

**All entries are due to be completed by posted deadline.**

When completing online entries, make sure you enroll all your animals that will show at the fair and sign up for showmanship classes. You must follow all Junior Fair rules when entering your animals. **Please give us accurate information regarding tags and the animals you will be bringing to the fair to ensure accuracy for classes/shows and stalling purposes. Do not enroll more animals than what you are planning on bringing to the fair.**

Please don't hesitate to reach out to our office for any question you might have or assistance you may need.

**FFA Members:**

**Entry process for FFA members who ARE also 4-H members:** Families will login to FairEntry using their 4HOnline account as normal. For the member who is dual-enrolled in 4-H and FFA, they will create their 4-H class entries just like everyone else. The youth will create their FFA animal just as they did their 4-H animals but will designate their FFA chapter as the “club”.

- **FFA members who have siblings in 4-H:** Login into FairEntry with your family 4HOnline information and create a new exhibitor for the FFA member and select your chapter.
- **FFA members who are NOT 4-H members:** FFA members, not enrolled in 4-H, will create a new FairEntry account or use the account created last year if you made one. Follow the steps to enter exhibitor information and adding class entries.

2. **Step 2** – Click edit by each member name and review member information. If correct, click continue to entries.

3. **Step 3** - Click “Add an Entry”. ONLY click “Register another Exhibitor” if the exhibitor is a new FFA member in this family.
