Price Increase on 4-H Publications

Thank you for your support of Ohio 4-H project books and other resources. As a result of increased costs associated with their production and distribution, particularly for printing, the base price of project books has been raised to \$8.00. Just like before, some longer project books cost more. The prices of other materials, such as resource handbooks, have increased slightly too. We appreciate your support of the cost recovery business model, which also provides for the Family Guide.

Club Reports

The Greene Team has been very busy with their 2022-23 theme of Career Exploration; they have already had a geologist, writer, costume designer, social media PR, pilot, refugee social worker and engineer speak to them at meetings. Instead of a larger service project, they decided to answer immediate needs from multiple local organizations. In December, they collected toiletries for Have a Gay Day. In January, they collected blankets, sheets, and towels for St Vincent De Paul. And in February, they collected socks for Shoes for the Shoeless.

Creek Crafters and Creators 4-H Club February 6, 2023.

We reviewed upcoming dates: Pancake Breakfast, Open House, Little Caesar's Pizza Fundraiser, Officers Virtual Training, and the Columbus Blue Jackets. We discussed a fundraiser for March and community service projects. We talked about the different activities offered during the fair. The Cloverbuds worked on learning the 4-H pledge and a Valentine activity while the members reviewed their project progress with Valerie. Makayla and Anthony will do presentations at the next meeting. Our next meeting will be March 6, 2023, at 6:30 p.m.

Saddle Up With Your Horses

Two meetings ago we selected our office representatives. Our representatives are Ava as president, Hailey as vice president, Jadon as treasurer, recreation officer is Gianna, Kate, and Brinley as safety, and finally Ashlyn Vance as news reporter. And at our last meeting we talked about some of the important things that are coming up. Such as the mandatory thing that needs to be done if you want to show at the fair like the exhibitor zoom meeting. And the equa-step program that will have to be done by June 1st. For this program you will have to watch a series of videos and complete the quiz at the end. On this quiz you will have to get a 70% or higher or you will have to do the process again. We also talked about some additional clinics and meetings. Like the obstacle horse clinic on May 6th at Save by Grace Farm. Also, we will be planting flowers for our community service project. Anyone in our club that would like to help is more than welcome to. And to wrap it up we have a tac sale coming up on March 19 at the fairgrounds. Anna has a table!
