Price Increase on 4-H Publications

Thank you for your support of Ohio 4-H project books and other resources. As a result of increased costs associated with their production and distribution, particularly for printing, the base price of project books has been raised to \$8.00. Just like before, some longer project books cost more. The prices of other materials, such as resource handbooks, have increased slightly too. We appreciate your support of the cost recovery business model, which also provides for the Family Guide.

All cattle (BEST and non-BEST) (in-state and out-of-state) must have a negative BVD test to exhibit at any OCA BEST sanctioned show.

...The OCA BEST Committee will be working with local jackpot shows and county cattlemen's associations to offer BVD testing ahead of the BEST show season to reduce the cost of the test for exhibitors and to streamline BEST check-in procedures. More information on these tests is available at www.ohiocattle.org/best or by calling the OCA office at 614-873-6736. If unable to attend one of the pre-season testing opportunities, your local veterinarian may perform one of the approved BVD tests."
