Dear Camp Friends,

We need your support for the continuance and growth of 4-H Camp Clifton.

Like other enterprises, 4-H Camp Clifton is diligently working to rebound from the COVID pandemic. In 2020, we had no camps and therefore no revenue. In 2021, we held 4-H camps with limited capacity, and last year began to rebuild our camper numbers. Due to limited revenues, we have deferred needed maintenance and delayed repairs; in turn, we now have a growing list of "must-do" upkeep to safely operate camp.

The 4-H Camp Clifton Board of Trustees is seeking support from community leaders to keep Camp Clifton afloat. Our current high need project is rebuilding the Camp Manager's residence to bring the structure up to code, make some foundation repairs, mold abatement, and other renovations. Other much needed repairs which have impacted our camp finances are a sewage pump replacement, roof repairs for cabins and other camp structures, and maintaining numerous camper activity areas.

In our 94th year of 4-H camping, we are determined to preserve 4-H Camp Clifton for generations of 4-H campers to come. We need your help to ensure 4-H Camp Clifton continues as a place where young people build skills, learn leadership, appreciate and enjoy outdoor activities, and start life-long friendships.

On behalf of over 1,500 youth who participate in camp at Camp Clifton each season, thank you for considering a contribution to help sustain our Camp.

Sincerely,
4-H Camp Clifton Board of Trustees

MRW Work Ethic Certification

The MRW Work Ethic Certification focuses on the 12 statements of the S.W.E.A.T. Pledge. Each statement has a story, and each story comes from Mike's personal experience working with entrepreneurs and hardworking people across the country. Through this program, we break down the origin of each statement in 12 lessons and explore why we believe every student and worker can benefit from embracing this pledge, regardless of their job or skill set.

For more information, visit

The MRW Work Ethic Certification is currently administered through WSUTech and facilitated by Ohio 4-H.

Fund Raising Opportunity:

This survey is to see if there is interest in helping at Vintage Market Days. This would be a fundraiser for clubs as a portion would go back to the club and Camp Clifton. This would run through the 4-H Advisory Committee. We are looking for parents, youth who are teens, adults, and volunteers. We will have shifts that you can agree to. Vintage Market Days is Friday-Sunday, October 27-29.

We will reach out to those who are interested in helping to get a schedule together. Thank you for your consideration!

We need all interested clubs to please respond to our survey by September 15.

We realize that the success of a new beekeeper is not reliant on the student's work and money alone but on the partnership's effort.
