All entries are due to be completed by Wednesday, July 1.

When completing online entries, make sure you enroll all your animals that will show at the fair and sign up for showmanship classes. You must follow all Junior Fair rules when entering your animals. **Please give us accurate information regarding tags and the animals you will be bringing to the fair to ensure accuracy for classes/shows and stalling purposes. Do not enroll more animals than what you are planning on bringing to the fair.**

Please don't hesitate to reach out to our office for any question you might have or assistance you may need.
