### **Quality Assurance**

There are some changes to 2020 Quality Assurance for exhibitors.

To be eligible for participation in the Greene County Fair, potential youth exhibitors must participate in one of the following Livestock Quality Assurance Programs. If youth are taking the following projects, this is required: Beef (market steers, breeding, feeder calf), Dairy (heifers, feeders and cows if lactating or have lactated and feeders if selling- heifers before lactation do not need it), goats (all), poultry (all), rabbit (all), sheep (all), llamas & alpacas, and swine.

**Parents are encouraged to attend but not required except for PQA for youth participating at the Ohio State Fair.**

Youth need to attend a QA training conducted by OSU Extension or FFA Advisor. Clubs will not be able to conduct this training in 2020. [go.osu.edu/greenecoqa](https://go.osu.edu/greenecoqa)

QA Is starting Feb. 3 with BQA!

**Horse Exhibitor Meeting is this week. It will be on Thursday, March 5 at 6:00 followed by Horse Safety and Ethics. Please attend.**

**ALL HOG EXHIBITORS: PLEASE READ IMPORTANT INFORMATION ABOUT PAYLEAN**

The Greene County Agricultural Society (GCAS) voted at the January 2020 board meeting to ban the use of paylean (Ractopamine) in all market hog projects at the 2020 Greene County Fair from birth to time of slaughter. This decision was based on two major issues:

1. Packers will be testing for and rejecting any hogs that have been fed paylean at any time during their life.
2. Union Stockyard will not accept any market hogs that have been fed paylean at any time during their life.

Union Stockyard and the GCAS will be requiring all market hog exhibitors, and their parent/guardian, to sign an affidavit stating that the hog(s) exhibited/sold have never been exposed to paylean. Affidavits will be turned in at weigh in with DUNF forms. Greene County Fairboard reserves the right to test hogs, feed, or equipment for traces of ractopamine residues.

More information will be made available as we receive it from the State. This is also a requirement from OSF.

OSU Extension Greene County Master Gardeners are offering a one-year, renewable \$1,000 scholarship to a graduating high school senior or college freshman who plans to attend or is attending an Ohio accredited two-or-four-year college or university. The student must be a full-time resident of Greene County pursuing or planning to pursue a degree related to horticulture, regenerative agriculture or environmental sciences. The deadline for applying is March 20. More information and an application are available at <https://greene.osu.edu/.../ScholarshipApplic20201stTimeApplic...>

We are hosting a new family orientation to help answer some of these questions. It will be on March 18 at 5:30.
