

# OSHA and AG

# January 10 & 11, 2020

Friday – 6:00 to 9:30 p.m. & Saturday – 8:30 a.m. to 5:30 p.m.

Safety training for agricultural workers

Earn an OSHA-10-hour General Industry Card- specific to agricultural operations

### Benefits of this Training:

- The purpose is to promote workplace safety and learn more about hazards.
- Although OSHA regulations do not apply to family farm operations, many of their standards are good management practices to use on the farm. Be a proactive farm owner/supervisor and provide a safe workplace for employees and their family labor.
- This program is fully sponsored- it's FREE! This can be a \$150-\$300 value compared to other industry safety programs. – held at OSU Extension Greene County in Xenia
- Insurance Group Rating Programs may honor this training for 2020 required education courses. Check with your local Farm Bureau or program administrator.

### Training Topics:

- Electrical Safety
- Fall Protection and Ladder Safety
- Noise on the Farm
- Dust and Respiratory Hazards
- Chemical Safety
- Body Mechanics and Proper Lifting
- Tractor and Machine Guarding
- Fire Prevention
- Emergency Action Plans

Thank you to our sponsors for making this event at no cost to you!
