

CFAES

Porch Pots: Transition from Fall to Winter

Thursday
October
27

5:30pm to 6:30pm
OSU Extension
Greene County Office

We spend a lot of time and energy creating beautiful fall displays in our porch pots. Transitioning from fall to winter display takes a little know how and ingenuity.

Speaker: Babs Sabick

Babs is a long time Greene County resident and a passionate gardener who has a special interest in porch pots. Babs worked for Knollwood Garden Center for over three decades, is a Past President and active member of the Ohio Association of Garden Clubs (OAGC), and is a member of two local garden clubs.

Kim Hupman, OSU Extension Greene County

Program cost \$7.00

**Fee includes
raffle ticket for a
porch pot**
