OHIO STATE UNIVERSITY EXTENSION

Conifer Conundrum

Thursday, January 28, 2021
6:30 – 7:30 pm

SPEAKERS:
Curtis Young
Educator, ANR Van Wert County

It is always disheartening to see a prized conifer (pine, spruce, fir, etc.) turning brown, losing needles, or outright dying. There are multiple possibilities as to what might be killing a conifer. This program will look at some of the more common reasons for the decline and death of conifers and management suggestions.

Curtis Young is the ANR Educator in the Van Wert County Extension Office and has been an employee of OSU Extension for 28+ years. Curtis teaches basic entomology, plant biology and plant pathology to Master Gardener Volunteer Trainees, Plant and Pest Diagnostics and Forensic Entomology.

When: Thursday, January 28, 2021 6:30 pm

Location: zoom

Cost: \$7.00

Contact: Kim Hupman at
hupman.5@osu.edu

Registration: go.osu.edu/conifer

To guarantee all paid registrants receive the Zoom link in time for the program, we close registration at 4:00 pm and can not access registration after this time. If you have issues with the link contact Kim at hupman.5@osu.edu
