## Wildlife: Guest or Pest Part 4

**October 15 6:30 p.m.**

The wildlife in your backyard can be a welcome sight for some or a landscape nightmare for others. Join the OSU Extension Greene County Master Gardeners for a look at some of the visitors that make you wonder, who's backyard is it anyhow!

**Dealing with unwanted guest. Deer Conflict: Dealing with the Modern Day Bambi** We will review deer ecology, identification of deer damage, and options to prevent and manage deer damage to plants. Marne Titchenell Wildlife Program Specialist, with OSU Extension. She works to provide a variety of educational programs, workshops, conferences, and publications centered on wildlife ecology and biology, habitat management for wildlife, and managing nuisance wildlife species.
