UNIVERSITY**

EXTENSION

Greene County presents

# Understanding Soil Nutrients

Plants require essential nutrients to grow and develop. While plants need these nutrients, they must be supplied in appropriate amounts. Excessive or deficient nutrients can be detrimental to the growth and development of a plant. Learn how soil nutrients work to help plants grow and how to know if your soil is deficient.

Cost: \$5.00

To Register: [go.osu.edu/understandingsoilnutrients](https://go.osu.edu/understandingsoilnutrients)*Registration closes at 4:00pm, March 16, 2023.**Shortly after registration closes, a zoom link will be emailed to you  
Please check your spam/junk folder.***Speaker: Ed Brown, ANR Educator, Athens County**Questions? Please contact: Kim Hupman, [hupman.5@osu.edu](mailto:hupman.5@osu.edu)**GREENE COUNTY AGRICULTURE AND NATURAL RESOURCES**
